

# BURGH CASTLE MARINA & HOLIDAY PARK

*The best of beautiful Burgh .....*

## Burgh Castle Marina

Burgh is a beautiful place and for many people Burgh Castle is the finest spot in Broadland, with its glorious views of the Yare and Waveney valleys and marshlands. At the heart of beautiful Burgh, in a spectacular riverside setting, lies Burgh Castle Marina and Holiday Park. A peaceful country hideaway inside the Broads National Park – it is a perfect place to escape from the hustle and bustle of city life and unwind whilst enjoying the glorious Broadland views.

It is an ideal location to keep a privately owned boat from which you can enjoy hours of boating around the beautiful Norfolk Broads before returning to Burgh Castle to watch the stunning sunsets over the marshlands, perhaps whilst enjoying a drink at our own riverside pub and restaurant, The Fisherman's Inn. We offer a good variety of cruising with over 55 miles of navigation on the Waveney, Yare and Chet rivers, 35 miles of which can be cruised without passing any fixed bridges. You can also access the sea via the ports of Great Yarmouth and Lowestoft.

We are unusual in being able to offer you the opportunity to keep a holiday home on our adjacent Holiday Park and regardless of whether you choose to do this or not, your berthing licence will enable you to access all the holiday park facilities.

We offer you a perfect base not only to enjoy cruising, but also a variety of country walks, cycling, fishing, bird-watching with ample scope for photographers and landscape painting enthusiasts. For guests looking for more active pursuits, Burgh Castle is minutes away by bus or car from miles of sandy blue-flag beaches as well as the shopping and bright lights of Great Yarmouth. Close by are the picturesque market towns of Beccles and Bungay as well as the fine city of Norwich, which has a wealth of ancient buildings, theatres, museums and art galleries to explore with a wide range of shops in pedestrian precincts and a large outdoor market.
